220 Cubic Inches

Journey Earthurn® - Aqua
14" x 12.5" x 3"
220 Cubic Inches

The Journey Earthurns are perfect for water burial. They are engineered to float briefly before gracefully sinking. Please note that float times may vary depending on water conditions and the weight of the cremated remains inside. Once on the bottom they break down naturally over time. Journey Earthurns are available in Adult and Mini size. (Mini Size: 8" x 6.5" x 2" and 60 Cubic Inches) Journey Earthurns, Green and Natural are available in a medium size. (12" x 10" x 3" and 180 Cubic Inches)

Shell™ Urn - Aqua
16" x 16" x 6"
400 Cubic Inches

Shell™ Urn - Coral
16" x 16" x 6"
400 Cubic Inches

Shell™ Urn - Sand
16" x 16" x 6"
400 Cubic Inches

The Shell Urns are made from recycled paper and are engineered to float briefly before gracefully sinking. Please note that float times may vary depending on water conditions and the weight of the cremated remains inside. Each urn comes with a custom carrying case and a donation is made in memory of the deceased to the Ocean Conservancy. Keepsakes are also available.

Federal regulations must be followed when placing any of these urns at sea (no closer than 3 nautical miles from shore).
